Problem-Solving

Profile

I'm a Web Design student at Milwaukee Area Technical College, developing my skills in crafting user-friendly and visually engaging websites. Passionate about design and driven to learn, I'm eager to apply my knowledge in real-world projects and contribute to a team where I can grow, collaborate, and make a meaningful impact.

Employment History

Warehouse Associate, Gehl Flooring Supply, Wauwatosa

AUGUST 2022 — MAY 2023

As a Warehouse Associate at Gehl Flooring Supply, I ensured shipment accuracy, prepared orders, and operated forklifts to load and unload materials. I maintained clean, safe work areas and inspected shipments for damage or errors.

Warehouse Worker, Target, Oconomowoc

AUGUST 2021 — APRIL 2022

At the Target Distribution Center, I checked packages for damage, repacked items for shipment, and verified materials against packing lists. I used handheld scanners to track freight and maintained a safe, organized workspace.

Landscaper, Zeiler Landscape LLC, MENOMONEE FALLS

AUGUST 2019 — JUNE 2021

At Zeiler Landscape LLC, I maintained clients' yards by mowing, edging, mulching, and trimming shrubs to keep them clean and polished. I also performed seasonal cleanups and snow removal, ensuring properties were well-maintained year-round.

Restaurant Team Member, Noodles & Company, Pewaukee

SEPTEMBER 2017 — NOVEMBER 2018

At Noodles & Company, I restocked supplies, prepared food, operated the register, and assisted with cleaning. I ensured ingredient freshness, rotated stock, and provided excellent customer service by answering questions, serving food, and resolving complaints.

Education

Web & Digital Media Design (AAS), Milwaukee Area Technical College, Milwaukee

AUGUST 2023 — PRESENT

Currently pursuing an Associate of Applied Science (AAS) in Web & Digital Media Design at Milwaukee Area Technical College. Gaining hands-on experience in HTML, CSS, JavaScript, PHP, MySQL, and responsive design. Maintaining a 4.0 GPA while developing skills in front-end and back-end development, user-centered design, and digital media production.
